

# Magistrates

## Professional Liability Coverage

We have simplified this program, including reducing the application to one page, simplifying the coverage to cover disciplinary claims and claims for damages arising out of your services or activities performed in your capacity as a Magistrate.

- **The premium is \$200 per Magistrate.**
- **Members of the Ohio Association of Magistrates receive a 10% premium discount, reducing the premium to \$180 for OAM members.**
- **The policy will be issued to each Magistrate individually – not sold as group policies.**
- **Comes with a free 1 year Extended Reporting Period.**
- **There is no deductible.**

The policy is not intended to cover claims against a governmental body. We are offering a single coverage option – limits of liability of \$250,000 per claim and \$500,000 aggregate, inclusive of defense costs. The disciplinary coverage is \$50,000 per claim and aggregate.
